

The Buyers Club offers a unique partnership opportunity for socially responsible companies and individuals across NI to support the work of Positive Life and change the lives of people living with or affected by HIV.

Following the successful launch of the Club, we are now recruiting the

2022 Cohort of Buyers

who will join our Founder Members as we start work to remove HIV associated stigma in Northern Ireland.

Suitable Buyers will be able to demonstrate –

Promoting **equality, diversity**, and **inclusion** in the workplace;
Supporting employee **health** and **well-being**;
Treating employees with **respect**, and
Making **meaningful connections** with the **community** they work in.

They will be able to commit to a 5-year membership, making an annual donation and bringing a new Buyer to the Club in each of the 5 years.

In return, Buyers can expect -
Complimentary access to Positive Life e-learning
Enhanced personal / brand visibility
Increased individual / staff / customer awareness
